# LEADING THE WAY

## YMCA COLLEGIATE LEGISLATURE CONFERENCE

The Alabama YMCA Youth in Government will be hosting the Alabama Collegiate Legislature conference this Spring. Alabama YMCA Collegiate Legislature gives delegates the opportunity to draft, present and debate pressing, relevant bills on the floor of the Alabama House of Representatives. This hands-on learning experience provides college students with a better understanding of the legislative process in Alabama, and the elements necessary for effecting positive change through legislative procedure.

### Conference Information

- February 29- March 2, 2024
- DoubleTree Hotel
- Alabama State House
